

Heritage Green Be Your Own Super Hero
March Break Camp Registration Form
April 12th to 16th, 2021

Dear Parents and Guardians,

March Break is now in April!! Please find attached the updated Heritage Green Be Your Own Super Hero April Break Registration Form as well as the Camp Calendar of events. **Please complete all forms and return no later than Friday March 26th.** ***Due to the high cost of rental fees from the school boards as well as operating costs, we require a minimum of 8 children registered at each site per day in order to run the April Break Program.***

Please note that changes and cancellations can be made up until March 26th. After that time no refunds or credits will be issued, you will be required to pay for all days your child is registered for. **If the program is closed due to COVID-19 restrictions however, you will not be charged.**

The program hours are from 7:30am to 5:30pm. The cost for camp is \$40 per day for children in Kindergarten and \$38 per day for children in Grades 1-6. Please return all forms by Friday March 26th to secure your spot. Fees will be taken through Pre-Authorized Debit on Friday April 9th.

The health and safety of our staff and students are our top priority. Therefore, full day programs will operate at your child's school. We will be doing our best to ensure that children will be supervised by their regular school age staff. Due to limited staffing however, a staff member from another cohort may be required to supervise your child.

All staff will be actively screened and are required to wear appropriate PPE including masks and eye protection. Parents and guardians must complete the daily COVID-19 self-assessment and text the program upon arrival that their child has passed the screening. Please note that your child would be required to isolate for 14 days if a child in their group over April Break receives a positive COVID-19 test result following April Break, as per Hamilton Public Health Services direction.

Due to low enrollment of numbers, children may be combined with another cohort different from their normal before and after school group. Social distancing of at least 2 metres will occur between different cohorts. Routine hand washing and disinfecting of all frequently touched surfaces will be completed twice through out the day. Toys will be disinfected between use of children from different cohorts. Children who attend a different school will not be able to attend our March Break program. All children are required to wear a non-medical mask. Please ensure your child has extra masks in their school bags in case they become damp or soiled through out the day.

Children will be required to bring a peanut/tree nut free bagged lunch each day. Snacks will be provided in the morning and afternoon. Outdoor play will occur for 2 hours each day. Please ensure that your child is appropriately for the weather. Your child is also required to wear a mask during outdoor play so you will need to send multiple masks per day. Please ensure that everything is labelled with your child's name on it.
